Who are we?

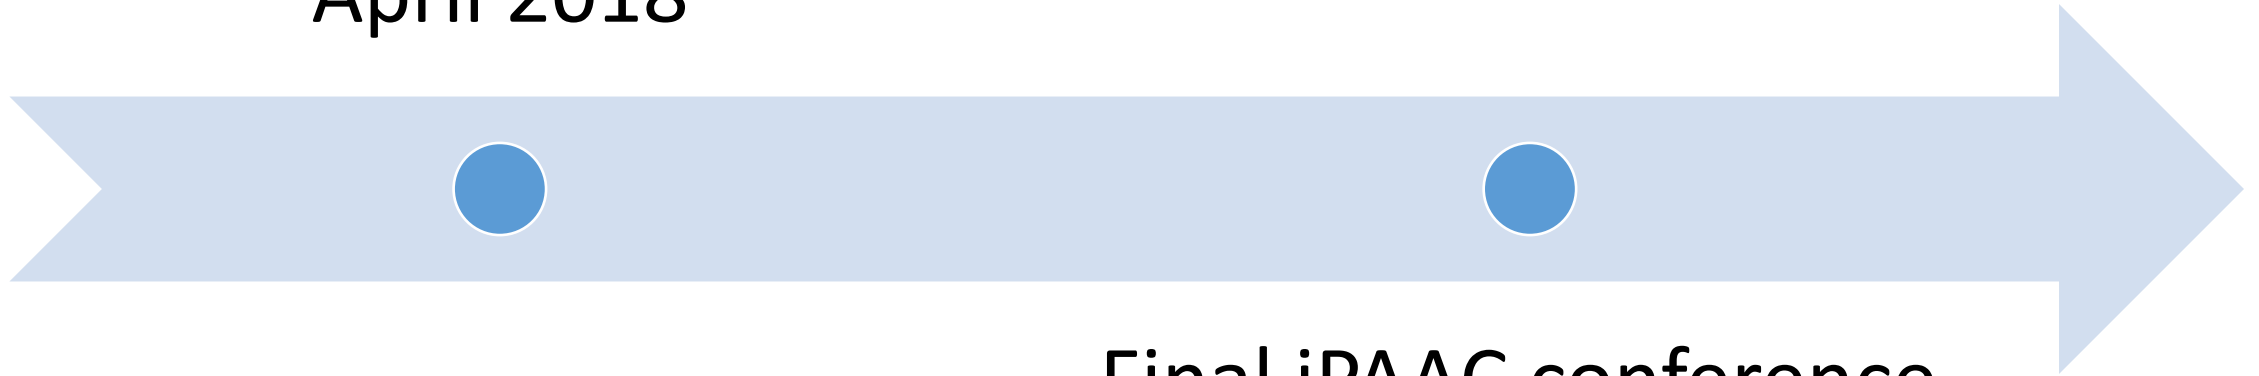

Project partners	
Belgium	Bulgaria
Croatia	Cyprus
Czech Republic	Finland
France	Germany
Greece	Hungary
Ireland	Italy
Lithuania	Malta
Moldova	Netherlands
Norway	Poland
Portugal	Romania
Serbia	Slovakia
Slovenia	Spain

A long way behind us

iPAAC kick-off meeting,
April 2018

Final iPAAC conference,
December 2021

Main objectives

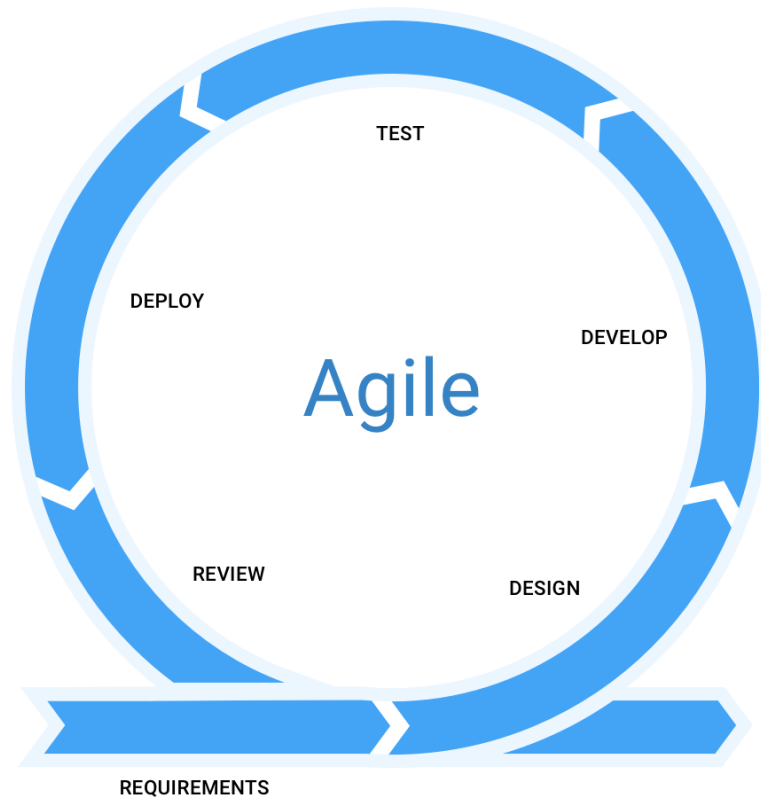

To ensure the (timely) development of the (high quality) key deliverable:
**the Roadmap on Implementation and
Sustainability of Cancer Control Actions**
(support MS in implementing iPAAC and CANCON recommendations)

iPAAC team

Development from the scratch

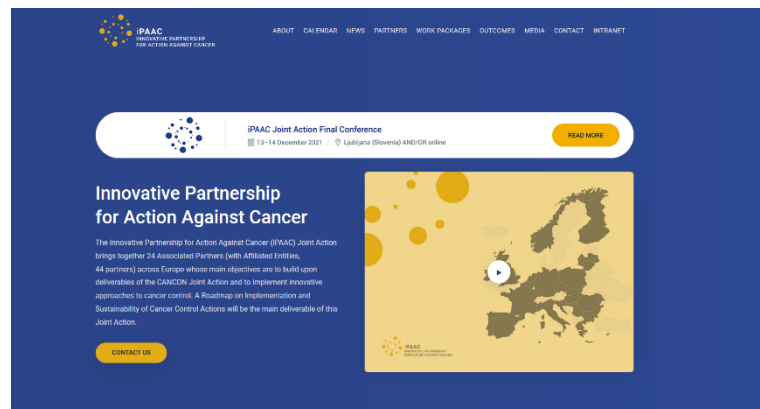

Agile model
